

Are you selecting the very best people?

HIRE YOUR BEST TEAM EVER WITH HIGH PERFORMANCE HIRING TEAMS™

What would it look like to have your best team performing on the job every day? Imagine the results!

Nothing is more important than the people we hire. Highly successful sports teams want only the best people. Why would it be different in business? Turnover is simply not “a cost of doing business.”

High Performance Hiring Teams is the secret to hiring talented, trust-worthy, passionate employees. Technical skills can be taught, but working with and next to people you can count on requires a different approach.

Empower your best assets—your front-line employees—to identify and select the highest caliber workers. Because your employees want to be part of a winning team and have high expectations for the performance of their peers, they’re uniquely qualified for this trusted role. With our system, not only will employees maintain high standards, they’ll take ownership of the new hire’s success.

“Our best management strategy is to hire great people. High Performance Hiring Teams gives us a way to execute that strategy.”

– **Laura McCann**,
Director of Team Member Relations
Burriss Logistics

“Watching the employees take ownership for the process has been exciting. They are only allowing the best candidates to become part of our team.”

– **James Lanier**, *Plant Manager*
STEMCO Rome
